“ *Sadness to hear of the loss of Elisha Harris. Our prayers go out to her son Lee who attended school with my children, and is too young to lose his mother. She was a warm heart who always gave of her time and energy. Her smiles and positive attitude would fill up a room. Our thoughts and prayers are with you all. The Bereket Family*

We are so hurt by the loss of cousin Wanda. I am happy I was able to see her 2 weeks ago when she had that big beautiful smile going on. We have our good memories to carry us on. We are thinking of the rest of our family that our higher powers will help us all in the days ahead. With love, The Barnas Family

“ *My sympathy to the family of my old friend Wanda. I have so many wonderful memories of her. One of the things I always admired about Wanda was that she truly liked everyone. She was very sweet and special. Pam, I am thinking of you and your family and I still fondly remember the trip to WV to visit your granny Bolen.*

Our sympathy thoughts and prayers to Elisha's son Lee and her family. We are Neighbors of Elisha and although we were not close we knew her to be kind and giving. She always fed the birds. She was generous of her time and would go down the road after a snow fall and clear the sidewalks for many of her neighbors. May she be at peace with our Lord and Savior Jesus Christ.
