“ *Mike so sorry I just found out today about Ellen's passing. I hope by now you are doing better but, I know the love you never forget as she is an impression forever in your heart. You were a good husband to her. I always thought this. She always knew this too.*

“ *I do miss her my ex mother in law. I remember many days she would come to our house and take us out to pizza in town. We would sit there for hours talking and laughing. She loved to talk. She had a very loving and generous heart. Although she would get very upset at her sons on occasions she loved them like only a mother could love, unconditionally.*
