“ Mom was not only my best friend but my safe place, my biggest supporter (along with Dad), and a strong woman.

*Her kindness, strength, wisdom, and unconditional love touched more lives than we will ever truly know. She had a way of making people feel seen, heard and deeply cared for.*

*Mom, you will always be in my heart and will cherish the great memories you gave me and my family. There will always be a big hole in my heart. I love you!*

*RIP Mom until we see you in Heaven!*
