Eugene was the best neighbor ever. He was always willing to help and take time to chitchat. I love taking him snacks because he would eat anything I took to him. Even what I cooked! May he rest in peace.

“ Eugene was an interesting and entertaining friend. I went to high school with Gene where we shared many adventures. We connected again in later years and he often joined our family gatherings with my sister Jorun. We also enjoyed many dinner dates and other adventures together. Rest in Peace Eugene.
