“ *While I never met your Mother, Grandmother, or Great Grandmother, Eunice was married to one of the best Choral Directors ever to teach at the High School level. I had the privilege of singing in the A Cappella Choir of Leyden Community High School, Franklin Park, IL under the direction of Daniel Tkach for the years 1955-1957. He directed great choral music, much of it Sacred Classics. The music was all memorized and concerts were well attended. It was my privilege to sing under his direction!*

“ *I have very nice memories of your dear Mother. I lived near your family in Elmhurst and played at your home often. I remember your Mother smiling and always taking delight in our childhood antics. My prayers for her and for your entire family. May she rest in God's peace.*
