“ You and I share so many memories throughout the years Gary. My growing up room bunk mate and yes we were like Felix and Oscar. But my love for you, will never ever leave my heart for all the years you were on this earth. I will miss you until we meet again in heaven and share our fond memories of just being brothers. May the lord hold you in his hands and comfort your loved ones who are left here on earth to mourn your passing. I will miss you my little brother. I will always remember your sentimental treasures in life and send your memory to to my heart. Rest in peace my friend...
