“ *I enjoyed visiting with Genevieve these last 3 years at Linden Square! She always had a ready smile and loved to laugh. I sat with her a few times to help with knitting projects and discussed several of the books she was looking at to read. I especially remember that she was the only person I ever knew to wear out the plastic sliders on her walker! She loved her walks! I will remember her fondly and thank God that I got to know her a little bit at least!! Lynda Shea St Andrew the Apostle Parish, Saline, MI*
