“ Our heartfelt condolences to your family for the loss of your dear Mom. Gertrude was my sweet aunt and our Mom's sister. We never got to visit in person very often over the years since our Dad was in the US Navy - but when we made it to Michigan we loved visiting with her, our uncle Tony and our cousins. Mom would always say I reminded her of Gert because of my personality and "go getter" attitude. I never sit still and I know aunt Gert was a mover and shaker too. Aunt Gert had a marvelous God given ability when it came to her floral creations. Her and Mom shared a love of flowers and decorating. The whole Brewer family dabbled in it at one time or another and were all very talented.

My sister Valerie and I kept in touch with Gert after our Mom passed away last December and just recently called her to catch up. She still had a positive attitude and hoped to resume her favorite activities sometime soon. We are so very grateful we were able to convey our love and prayers during that phone call.

We will miss you aunt Gert. Give Mom a hug for us...

The attached photo is one I found at my Mom's house. The Brewer clan in 1956 year I was born) and Aunt Gert is on the left behind Grandpa and our Mom is next to her. What a great family portrait.
