It was so much fun being around you and I hated to see you leave to go to Michigan to work. I think I can speak for us. We really did miss you. Always loved to see you come back for Christmas and other days that you could make it home. So much fun we had. I just never thought that I would be writing this message so soon. “ *With heavy heart and total submission to the will of God I accept the exit into glory of a friend and brother in christ, Gordon Avery Lloyd. I pray that the good Lord grant him eternal rest in His bosom, and grant his wife and the entire family the fortitude to bear the loss. We love him, but God loves him most.*

*Please comfort yourselves with these words:*

*"Brothers and sisters, we do not want you to be uninformed about those who sleep in death so that you do not grieve like the rest of mankind, who have no hope. For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. According to the Lord's word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. Therefore, encourage one another with these words. "*

*You are in our prayers.*

“ To Diane and family, I am sending sincere condolences, love and prayers. I remember when Gordon Avery was growing up in Texas, he was always kind and laid back. No worries, no rushing, just cool..... We shared a birthday month and was the same age for one day. Wishing God gives you peace during this season of your life.
