Helen was a wonderful presence in our lives when my son Oscar and Milo were little and she would watch them play tennis, swim in the pool & play whatever it was. She was a wonderful mother and grandmother and friend to all. I am so grateful to have known Helen and have memories of her from those times!

“ Helen was my sweet neighbor and friend. I will treasure memories of time spent laughing with her at the Maple Village pool when Milo and my son Gavin were little, of her huge comforting trays of mac & cheese, and of her extra special bond with her kitties. She loved her family so very much and I know her sunlight will shine on through all of you. Always the best listener, always so kind, and always finding something to laugh about, after any conversation with Helen, she left me feeling better, lighter, and simply more joyful. What a special lady. Hugs and love to all her family and friends.
We love and miss you, Helen.

“ I met Helen at Woodland Meadows Elementary School when she came to help in the cafeteria. She was such a great help and the children loved her. The staff did too. She never shared anything about her life before retirement, but she always wanted to know about us and our families. It was such a pleasure to see her at St. Andrew's and catch up on life. She was such a beautiful, humble any loving women. I am so blessed to have known her. "Eternal rest grant unto Helen, O Lord, and let perpetual light shine upon her. May her soul and the souls of all the faithful departed, through the mercy of God, rest in peace."

“ I remember Auntie Helen as a role model growing up. She was always so happy and compassionate to her family and others. I won't forget all the family dinners and her homemade Angel wings and pierogi. Dwayne and Debra will miss her very much.

“ Helen, Sue, Sherri, and I worked and retired at The Henry Ford. I've known, Helen for 35 years. Sue and Sherri known , Helen for 40 years. The four of us were close. We engaged in lunch, monthly for years.

After lunch, we would return to, Helen's Condo. Helen would say goodbye with a touch on your hand, shoulder, or a hug. Sue made it a point to get out of the car to give, Helen a long embrace. Sherri and I would sit there wondering, will we be home before dark, lol ?

We would tease, Helen with love. We would ask her if she had any additional dents on her car. She would giggle and say, no. We knew she didn't. It was always the same dent. It was all good.

Helen spoke so highly of her children and grandchildren. Her family also kept close contact with her. Over the years, we heard her grandchildren growing up. That was her world, her family. There's so many wonderful stories to tell. So many memories.

There's friends and there's acquaintances. If you can meet a true freind, you struck gold, and we struck gold with, Helen. Helen was a wonderful person, a saint. We will greatly miss, Helen. We loved her.

“ I enjoyed Helen’s company so very much. She was always smiling and always so positive. She talked so much about her family, her children and even more about her grandchildren. She would always say, “If I talk too much, you just tell me to be quiet.” My reply every time was the same, “I will never tell you to be quiet, I love it!” She was a ray of light each time I got to spend with her. I had the pleasure of being her hairdresser since September of 2020. May she continue her sweet and caring life with God in Heaven. My prayers are for her family as they celebrate her life here on earth. She will be greatly missed. Much love from my family to yours,

I was Helen's neighbor living opposite in our little condos in Saline for about 12 years. She was the most 'giggly' and precious little lady I have ever known. She always had time for hugs and a chat plus I could tell if she was busy in her kitchen or still in bed by the lights that were on! My daughter Nicki, who also lives nearby, would sometimes feed her beloved cats and was always in awe of how tidy & organized she was! I can't believe what a history with stories to tell that she had. I shall sadly miss seeing her and her aura of cheerfulness. My sincerest condolences to all her family - she leaves such a large hole for such a tiny person ♡

I was blessed to have Helen live across from me for many years. We all adored her in the neighborhood. I admired how caring she was and how she loved to do things for her family. Working on quilts, making soup, or baking cookies, she was always doing for others. I had a habit of looking out my window to see if I could help her carry something in or out because she was always on the move. She was a shining star who spread love to everyone in the village. I always looked forward to our chats! Prayers go out to her wonderful family as they celebrate her and miss her.

Much love, Stacy Fletcher

My sister, Helen, was a ray of sunshine - always looking on the bright side. She was my confident - always willing to listen. She was fun to be around because of her positive state of mind.

She was so proud of her children and grandchildren and always made mention of them during our many conversations. Her talent for quilting and crocheting were outstanding and brought many hours of enjoyment to her and the many people who are recipients of her work.

She produced the very best Thanksgiving Days with excellent preparation - the very best! It was always a pleasure to be seated at her table.

She was good to me and brought many delicious dishes for my enjoyment. We talked once or twice a week to keep an eye on each other.

Helen, I miss you so very much.

*May you now enjoy the many blessings of heaven.
Rest in peace, my beloved sister*
