“ I am so sorry for your loss. He was always such a kind man and so kind to me and my family. He always made a point to talk to me whenever I saw him and ask about how my family was doing. I always appreciated that. He always had a story or a comment that made me laugh, too. Not to mention what a hard and dedicated worker and family man he was as well. I never saw him in a bad mood or say anything negative. He will be missed. Please know you entire family is in my thoughts. May "Poppy" rest in peace.

Sincerely,  
Jeff Kind
