“ Irene was a shining light to all who came in contact with her. My deepest sympathy to her family and loved ones. I first met Irene at the Brooklyn Eagles playing shuffle board. I later found out that one of my co workers Debbie was her daughter in-law. She was always dressed and had her hair done just so. She had a wonderful sense of humor and a laugh that made you happy to hear. RIP Irene you are now with your beloved son Gerry and your husband. You were a special lady..

“ We are so very sorry about the passing of Irene. There are no words that can come close to expressing what a special person Irene was. Some of our fondest memories of her are of all the good times we had on Bishop Road. She and Howard opened there home to a lot of us kids and gave us a place to gather and have fun. She was always there to listen if you needed someone to talk to and she looked over all of us kids as if we were her own. Howard and Irene's home was our second home and we will forever be grateful to them for being there and truly caring about each and every one of us. She always had a smile on her face and loved people. I don't think there was a place that she ever went that she didn't know someone, and if she didn't, she sure did before she left. She truly will be missed. We were so blessed to have had her in our lives.

“ I could sit here and tell so many stories of how wonderful of a woman my grandmother was, but anyone who knew her already knows that! I will miss her dearly but know she is at peace and in a better place. She was full of spunk and so much fun and always had the advice and knowledge to guide me when I needed it...until we meet again granny I love you!

“ Ronnie, Denny and family....

When I learned last week that your Mom had passed away, it felt like the end of an "era" and brought up a host of memories with Saline's "old guard"! When I met your folks in 1958, they were frequently part of the "Graf/Randall" family gatherings lots of memories at the cabin, but one of my favorite memories of your Mom was a day when she'd come to our house to pick up Alicia, and Rene saw my oldest son, Jon, pushing a shoebox around on the floor making a tractor sound. Rene was having none of that and had remembered Jon playing with the toy farm equipment in your sand box, so a little while later, here she came with a "real" tractor for Jon. You guys "had outgrown them", and while your Mom assured me it wasn't a problem for you, it was such a treat for Jon! Indeed, you were old enough to show up at our door in Florida a couple of years later, and Jon was still playing with "his" tractor!

Your folks were so much fun, and your Mom's "signature" laugh was unmistakable! After living out of state for several years, I remember stopping at the Polar Bear on the way into Saline, and recognized that laugh all those years later.....what fun we had that day, the last time, when Ruth and I saw you at Ted's service, so wherever she is on her journey, I'm sure she's having a good laugh!

Thinking of you and your families, and all the Great Memories

“ Irene, my favorite person to seek out at Tecumseh Busch's, always ensured a warm smile between us as well as a speedy checkout. Of course this good nature is reflected well in sons Gerry, Ron, and Denny.

“ So many memories, from being neighbors to living near her in Tecumseh. She always had a smile for me and asked about my family. I will miss her as another person from my life slips away, but I'll always have my good memories and photos. RIP Irene you will be missed.
