“ *Joe and my son Drew have been close friends for years. Drew always had such admiration for Joe's big brother Jacob. Drew's heart just shattered when he was told about his best friend's brother. He wanted more then anything to be with Joe at that time knowing how incredibly close the brothers had always been. My heart cries out for Jacob's mom and dad. I can't begin to understand or feel what their going through. May God wrap His arms around you both giving you some sort of comfort at this time and the rest of your lives. God has a plan for us all even tho we don't always understand it nor agree but we need to trust Him. God speed to any amazing family.*

“ I send my sincerest sympathy to the parents, brother, grandparents, extended family and all of the friends that loved and knew Jacob. I am sure that even Jesus wept at this senseless tragedy. A beautiful young man robbed of the life God had given him. I know the Lord and angels greeted Jacob as he entered eternity. I wept at the news, even though I never met Jacob. As a mother I grieve with this family. I will keep everyone in prayer and pray God brings comfort, peace and hope as only he can. There are many people praying for all of you, even those that only heard of the tragedy. May God wrap His arms of love around you and bring you joy once again. So very sorry for your loss.
