

## Jagdeesh "Joash" Anne

October 6, 1992 - September 29, 2025

Jagdeesh "Joash" Anne, age 32, of Ypsilanti, Michigan, passed away on Monday, September 29, 2025. He was born in Vijayawada, India, to Sivaprasad and Madhavi Anne, and came to the United States a few months later.

From an early age, Joash was someone you couldn't help but love. His infectious smile and charm touched every heart he encountered. Making friends came naturally to him, and in Ypsilanti, and everywhere he went, he always ran into someone he knew and would stop to share a conversation. His engaging personality and gift for lively discussions made him the life of any gathering, drawing people in with his warmth and charisma.

During his adolescent years, Joash was a natural athlete. There wasn't a sport he didn't play, including baseball, football, soccer, volleyball, tennis, and lacrosse. He excelled at each one. Beyond athletics, Joash loved the outdoors: hunting, fishing, hiking, camping, longboarding, and lots more.

His love of the outdoors eventually took him to Alaska, the Last Frontier, where he spent summers surrounded by mountains and wilderness. Joash was a dreamer at heart, always yearning for his next adventure.

Above all, Joash deeply cared for his family and friends, always putting others

before himself. No matter the time or place, you could always count on him to be there.

He will be profoundly missed, not only for his vibrant energy, but also for the unwavering love he gave so freely to those around him.

He is survived by his parents, Sivaprasad and Madhavi, and by his brother and sister-in-law, Harsh and Sadhika.

A Gathering of Friends and Family will take place on Saturday, October 4th from 12:00 P.M. to 3:00 P.M. (remarks tentatively at 1:00 PM) at Robison-Bahnmler Funeral Home in Saline. “ Too many memories to fit here, Joash was like a little brother to me. The hours we spent running up and down the alley between his house and my grandparents house, late night hide and seek, catching fireflies and all sorts of childhood mischief. The last time I ran into him he put his arm around me and proudly introduced me to all his friends as his big brother, it ment the world to me!

“ I’m absolutely devastated and shocked to hear about Joash. We were close friends in high school and part of a wonderful group of friends. Sadly, over the years, our regular communication dwindled, and the last time we reunited was in 2019 at a wedding.

*I have countless memories with Joash, and every one of them brings a smile to my face. He was fun, kind, and effortlessly made friends with everyone. He truly left an impression on everyone he met.*

*I’m deeply grateful for the many years of friendship we shared through high school and college. To the Anne family, I’m so sorry for your loss. You’re in our thoughts, and we’re with you.*

*Joash, I’ll cherish our time and memories—you’ll be so missed.*
