“ Sending heartfelt sympathy to the family over the passing of Janice. I know she'll be greatly missed by all her knew her. I had the pleasure of knowing Janice since I was 5 years old, when we lived across the street from each other. I followed her lead and got my degree as a dental assistant just like her. She was an amazing friend and I'm so thankful God put her in my path almost 60 years ago. I will always have fond memories of her. May God's peace, that passes all understanding, sustain you during this sad and difficult time.
