“ *Jean Munsell was such a wonderful woman. At St. Paul, every Sunday, we could count on her amazing cheese dip! But other than her amazing cooking skills, she was such a beautiful woman inside out. She always cared about the health and wellbeing of others, even when she wasn't feeling so great herself. So sorry to see this lovely woman go.*

“ *What can I say about Aunt Jean? To sum it up, she was a beautiful lady, inside and out. She and Uncle Keith had such a special relationship. They set an example for their children and grandchildren of what true love and commitment is all about. I know that your hearts are broken and pray that you will find solace. She will be sadly missed, but fondly remembered!*

*With much love,*
