

Jennifer L. Bohnett

May 27, 1969 - November 11, 2023

Jennifer (Brandt) Bohnett, beloved mother and wife, passed peacefully in her sleep early on the morning of Saturday, November 11th, 2023 at the age of 54. She was a kind soul with a big heart. Though she is no longer in pain, Jennifer was taken too soon from the world. She had so much love to give and it was known by all who met her.

Jennifer loved children, music, art, and—especially—University of Michigan football. She would have been so happy that Michigan won against Penn State though she did not get to see the game.

She loved her family and friends, too, and was always down for a trip to the beach or any form of traveling with all of them. She loved the ocean and the state of California almost as much as she loved being with her people.

Some of her favorite pastimes included cooking, hosting parties, and having a good glass of wine with an even better book.

Jennifer was always willing to help anyone whenever she could. She was also good for a laugh and goofing around. She always wanted to have fun each day and would try her best to find it even in the smallest things.

Jennifer is survived by her husband, James Bohnett; two children, Brandt

Brown and Paxton Naebeck; as well as her four stepsons, Joseph, Samuel, Daniel and Michael Bohnett.

Anyone who knows her, knows Jennifer's running with her father, Dr. Ralph Brandt, up there somewhere like she always talked about doing.

The family invites you to join them for a Celebration of Life in honor of Jennifer on Saturday, December 2nd at Thompson's Bar & Grill starting at 3:00 P.M. In lieu of flowers, memorial contributions may be made to the family, care of James Bohnett. Arrangements entrusted to the Robison-Bahnmler Funeral Home in Saline. To leave a memory you have of Jennifer, to sign her guestbook or for directions please visit www.rbfhsaline.com.

“ Dear Fuzz and family, I am so grateful that I received a hug from Jennifer at Uncle Bill's funeral service and luncheon. It was comforting, and so good to see you both, and I thank you for coming that day recently in September.

“ My beautiful Jennifer - beautiful mother of my beautiful grandchildren - gone way too soon - we had many good times and I hold those memories close to my heart to get over the heartbreak of losing you - God gives us all gifts and you were one of them but sadly He can be an "Indian giver" and wanted the gift back. You are now wearing gold angel wings and sitting next to Him along with all those you loved who went before you! I know you are smiling your beautiful smile lighting up the heavens as you did here on earth and watching over your babies. I miss you I love you - always have always will. And I will always love you! Rest in peace beautiful daughter-in-law of mine forever and always! Love "Mom's" Sandy

“ Jenny was the first person I met when I moved to Ann Arbor in 1977, the summer before third grade. She always said how she was so happy to finally have a friend in the neighborhood (I "saved her life") but it was she who took me under her wing and made me feel welcome as the new kid in town. Lots of play dates and sleepovers ensued - we grew up together - and, in later years, double dates and parties. After high school, we went our separate ways and regrettably lost touch...but reconnected again in 2019 (our 50th year) for AA Art Fair and a UM football tailgate. Jenny was the same big-hearted person as ever, and just as joyful and vibrant as I'd always known her to be. We saw each other last for Christmas 2021 with plans to see each other at least yearly going forward. I will think of you often, my friend. Still can't believe you are gone. Prayers to you and your family for peace and comfort.

“ Condolences and Prayers of strength and comfort to Jennifer's Family and Friends. When I was recovering from a hospitalization and couldn't drive, she brought an over the counter med to me. So thoughtful and appreciated. Pretty Lady. May she rest in peace and health.
