“ Poppa, you and Momma Linn touched my life at the tender age of 16. You along with my Dad and my step-dad have always been my role models, and will continue as such. You and I shared many conversations over the years, and I am so proud to be considered one of your and Momma Linn's daughters. May you forever rest in peace, Please hold our little angel Matthew tight, I know that you and momma will share your love and knowledge with him. I am so please that you, Momma, Mick and Danny are with our little baby Matthew Scott. I will forever miss you and look forward to all of us being together again.
