“ Jessica was a close friend of mine from high school. She was always so kind to me. We had this back and forth where I would annoy her and she would get mad at me. She would say "Jared!" The same way my mom would. Im really going to miss her. RIP Jessica

“ We are so very sorry for your loss. May you find peace in the wonderful memories of your beautiful daughter who always had the brightest smile. I looked through the little bit of boxes Nicole still has at our house and found this.

Jessica was one of the many neighborhood kids that was fun to see grow up. She was fun-loving and was a babysitter for so many of us- the kids have such fond memories of her! It's so heartbreaking to lose this gentle soul. We are keeping your family close to our hearts.
