“ Jo came to our apartment 25 years ago after our son was born. She was the nurse assigned to check me after the delivery. It was so wonderful to have her come and do this. I loved seeing her smiling face. I worked with Jo in the Nursing Resource Pool for many years. She will be missed.

“ So sorry for your loss. Gene helped us find out first home and then I met Jo when I started work in the float pool at St. Joe's. She was always fun and sassy and was one of my preceptors who I really respected. Great nurse and so helpful to everyone! She will be missed.

“ *What a long, strange trip it's been, indeed. Pentwater, the minivan, babes in black, cactus juice, fires, garages, beers and laughter. We've lost another warrior but she raised us two more. With each of us who passes, we all live and die again. To Jo and those who went before and those who carry on. Mark and Olya, et al*

To Jo's family:I worked with Jo several years ago in mother/baby at St. Joe's. We had many pleasant working experiences and she had been a neighbor of ours on Cross St. in Ypsilanti. She had a beautiful, contagious smile. Even though we have not seen each other for many years, I will always have good memories of her and will miss her. We will hold the family up in prayer!!
