“ Dear Lynn and Girls,

*So sad to hear the passing of Jack it has been some time since I have seen your family but that does not lessen the loss I feel. I hope that all of you are able to heal and remember Jack the way I do as a kind soul with a tough matter of fact disposition that I always loved. Lynn my thoughts and prayers are with you in your time of healing.*

“ *Lynn and Jack have done so much for me and my late husband and family. They were so supportive when my husband was sick and both of them stood by me and held me up. I don't know how to ever repay them for their goodness and generosity. Such giving people. My heart goes out to each of you. XXOO*

“ *We knew him as Mr. Shaw, or Megan's dad, but he was always there to cheer on Megan at our softball games. I'll never forget him and Lynn being there for us with cold washclothes on hot game days! I love you, Shaw family!*

“ *I was able to spend some time with Jack and Lynn over the last year and a half and always enjoyed their company. I worked on some puzzles with them where Jack's eye for detail always helped him to find the right place for each piece. He was of course, a Michigan State fan while I am a Michigan fan, so that made for some interesting conversation while we watched the football games together. Jack will be missed by many; family, friends and co-workers.*
