“ *I knew John (and Lois) for just a few years, as their neighbor. Whenever I saw John outside, he was always willing to stop and chat for a few minutes. I was sorry to see him and Lois move to their new home last year, because I knew I was going to miss those chats. And I'm very sorry to hear of his passing. I'll keep him, Lois and the rest of their family in my prayers.*

“ *Jack Spaide is the type of person I would like to be. First, a good golfer! Seriously, a kind, compassionate person who was dedicated to the welfare of his family and friends. As a former retail store owner (Leslie Office Supply, Inc.), I marvel at the mutual respect and loyalty displayed by his employer (Mast Shoes) and their 40-years of service by their employee, Jack Spaide. I know of no other employer-employee relationship in retail the remarkable length of four decades. And, the two families remained close in Jack's retirement and move with Lois to another home. A Veteran - a dedicated Christian - and a trusted colleague and friend. Boy, was I blessed! Praise God! Hebrews 11:1*
