“ Dear Family of John Strawbridge,  
Sorry to read about John. It's sad to see this happen to someone so young with so much to look forward to. Despite the pain take comfort in the hope of seeing him again (John 5:28,29). In a world free of sickness, pain & death (Revelation 21:3,4). Their John can be reunited with loved ones and reach his full potential.

“ Johnny, you were on my first ever ice hockey team, you were the only other John, we were born only 2 short days apart. I couldn't believe the news when I heard it and I wish now more than ever that we could have gotten into contact because we drifted apart. I wanted to show you what I have learned on guitar because, whether you knew it or not, you were my inspiration for picking up this six stringed instrument. You have helped me form who I am today and I will never be able to thank you enough for that. John, Kim, and Kelsea, I can't even imagine what you are going through and it hurts me to think about. I'm so sorry for your loss and I wish you all the best. To finish this off, thank you Johnny, for all of the inspiration, the laughs, being my first friend on our team and for many years that followed, and best of all just being who you were. I'll never forget you bud, Rest in Peace.

Words can not express our grief. Johnny had the sweetest soul. At his graduation party he walked Dwayne and I out to our car-I knew he wanted to be partying with his friends but he spent that time with us. Great kid!!!!*
