“ *I, too, knew John (JT) in middle and high school. We were part of a large group of friends who called ourselves "The Kidders." John was the epicenter of the Kidders--it was he who formed the nucleus of the group that grew into the Kidders. Everyone wanted to be around him--he had such a great sense of humor and a carefree, creative spirit that we all aspired to. I cannot think of my teenage years in Ann Arbor without thinking about JT.*

I am so sorry to hear of his passing and hope you can find comfort as a family in this time, knowing how much JT meant to so many of us.

“ *I have known John sense kindergarten at Thurston Elementary School and even though we haven't kept in touch when we did run into each other it was as if the years apart vanished. John was one of the good ones and will be missed. I will keep all of John's family in my prayers.*
