“ Joe was a great friend with our visits to Hester's Home. He played music and would sing on our visits. We always shared memories of our lives. He will be missed at the home.

“ I have very fond memories of growing up living next door to Joe and Jeannette, Phil and Jean. One special memory is of Joe and my father (Elmer Houghton) spending many long hours building the neighborhood an ice skating rink complete with lights! on the then vacant lot between our houses. After days of construction including late nights "watering the rink" the rink was a masterpiece. R.I.P. Joe, your family was so lucky to have you for so many years.
