“ *Over 1 year since you left us Mom, my heart is still broken and our second Mothers Day without you. The first Christmas and Thanksgiving and your birthday, and my birthday seemed off because you would always send a card and money. You loved your family and you loved Christmas and Thanksgiving the best..The last Christmas eve you were on earth was 2018 and you spent it alone. YOu said the last time you were alone on Christmas was when I was little and it was just the two of us. You loved both of those holidays the best because you had fond memories of them in your childhood. We always talked and tried to figure out what to get the grandkids or us kids for Christmas and Birthday gifts! You always could pick out the best gifts...*

I love you and you were just the best Mom I could ever ask for. I realize that more than ever now. You , as a person were the most amazing, fun and beautiful and smart Mom, Grandma, sister and daughter. . I wish I had been there more for you . I wish I had not put my job first ...no job is worth it. I could have taken time off from my job. I will regret that the rest of my life. I only hope you can forgive me. Love, Your Daughter Forever

“ *I was saddened to hear about Joyce's passing. In early 2000s, Joyce was an esteemed election inspector & Chairperson for the City of Ann Arbor. Sincerely, Howard Scheps*

Howard Scheps - May 12, 2019 at 05:39 PM

Thank you Howard. I did not know my Mom was a Chairperson . I knew she worked for the election every year. My Mom was a very humble person and I truly appreciate your information and condolences. We miss our Mom so much.
