“ *My sincerest condolences to the Boulter family on the lost of your beloved Judy. I worked closely with Judy at Medstat, we became friends and, lucky for me, remained friends after her retirement. She was the wittest, kindest, and most hardworking person I have ever met. I will miss her infectious laugh, wonderful advice and, mostly, her friendship. May your memories of Judy give you peace during this difficult time. Rest in peace, my friend!*

“ Judy was a wonderful friend and companion to my mother Regina Smith as a hospice volunteer a few years ago. My mother could be difficult at times and Judy was so patient and understanding and my mother adored her. I had the pleasure of meeting Judy several times. Heartfelt condolences to all of you. God bless all of you.

“ My deepest sympathy to Judy’s family. She was a great lady and I will always remember how kind she was to me many years ago when fresh out of college I moved to Michigan from Iowa to start my first “real” job working with her husband. She welcomed me into her family’s inner circle and included me in many of her family’s activities. My wife (who Dick introduced me to!) and I had the pleasure to remain friends with Judy and her family after we left Michigan in 1980. My thoughts and prayers go out to Judy’s family and friends, she will be greatly missed.
