“ *Judy was our neighbor here in Saline up until recently, and she would always come out and say hello and talk to us when we were outside with our young kids playing. She was always very kind to us!*

I will always remember the pure kindness of my beautiful friend from church. Judy did so much for the church, she always stopped by to check on the kitchen and supplies, and just generally took part in any of the work in the building. I was the church secretary and Judy would stop into the office with a beautiful smile and we always had fun conversations. Judy loved her friends so well. I am honored that I was one of them. She will be missed greatly. - Claire Groshans
