“ Florence and I had a memorable visit with Aunt Julie in September. She shared many memories of family life and life on the road with Cliff in their fifth wheel. We shared our experiences living in our motor home. We cherish that visit, as it was our last with her before we left for our six month stay at Holy Trinity Monastery in St David AZ. We regret not being with her family for the celebration of her life. We will include Aunt Julie and her family in our community prayers and Masses here at Holy Trinity Monastery. May she rest in the peace of Christ and may each member of her family find peace in believing, she is with God forever.
