“ I was undating my family tree and came across June's obituary here. I'm so sorry for your loss. June was my dad's "Best Cousin" per my dad's words. And Donald was my dad's best friend. All three of them were in the same class at St. Andrew's Lutheran School and then Luther South High Schol. My dad's name was Don Smith. My dad and June were 2nd cousins, sharing the same same Great-Grandparents Nitz. Both of them were in my parent's wedding on July 1, 1950. June and Don were not yet married. I am sharing a photo of them from that day, and it was taken outside of St. Andrews Lutheran Church.

“ We are so sorry to hear June's passing. As a close friend of Mary's beginning in the 9th grade, I spent many years in the company of June and Don which continued after Mary's tragic death and in the years after they returned to Valparaiso. We extend our deepest condolences to Debra and Donald and their families. June was a bright spark, quick with her humor and intellect, and a safe haven when needed. I treasure my memories with the family and join all in mourning the passing of this lovely and extraordinary woman.

“ We have so many memories of the Munding family, leaving for England, Halloween costumes, yard parties with the Pennington, beach party when we stayed at the Dunes, rabbits, cats, etc. Then leaving for Illinois college, so sad for us, taking Sue to Meigs Field to fly to Springfield to visit, Mary coming to VU. Then the awful sadness of losing Mary, then later losing Don first to dementia then his funeral and getting to reminisce with Don jr , running into you at the Alpha reunion. Your family was a big part of our memories, love to you. Gwen Poncher
