“ *I worked with Kathleen at Materials Unlimited in the accounting dept. I have been her right hand so to speak. I could not have done this job for 2 years without her guidance and friendship and will miss her dearly. No matter what has been going on with her health, she always had a word of encouragement or a kind gesture to help me through a tough task. She has taught me so much, much more than I can give her credit for with just words. I hope as a family you can gain some comfort in knowing she was an amazing, strong and kind person.*

With deepest sympathy,
