

Kathrin "Kathy" Ann Kind

May 21, 1949 - May 14, 2026

Kathrin "Kathy" Ann Kind passed away suddenly on Thursday, May 14, 2026 at the age of 76. Kathy was a loving mother, grandmother, sister, aunt, cousin, friend, and neighbor. Her presence is already incredibly missed.

Kathy was born on May 21, 1949 in Hancock, MI, the daughter of Edwin and Irene (Kemppainen) Klemett, of pure Finnish descent. She graduated from Hancock High School in 1967 and continued her studies at Eastern Michigan University. After getting married and starting a family, Saline became her home base; however, her heart was always in the U.P. and she visited the family "Kamp" in Dollar Bay every summer, a treasured tradition her children and grandchildren have continued.

She was an excellent homemaker in her younger years and volunteered in local service clubs, making lifelong friends in the community. After circumstances at home changed, Kathy needed to tap into her Finnish "sisu" (grit, determination) to make her way in the world on her own. She joined a small telecommunications company that slowly grew and eventually ended up being bought by AT&T, providing long-distance service and billing to college campuses. She worked hard at her job, acquiring and maintaining accounts at colleges all over the country, giving her exciting travel opportunities. She was very successful in her position, secured a good living for herself and her family, and made lifelong friends at the company. Unfortunately, as cell

phones replaced dorm room land lines, this eliminated the need for the services that her company provided. Not old enough to retire, she worked as a teller for some local banks and credit unions and started a part-time cashier job at Busch's grocery store in Saline, a job she had for the rest of her years. We are sure Busch's shoppers already miss her smiling face and friendly demeanor.

Kathy was a woman of many talents. A gifted cook and baker, she spoiled her family with delicious meals and treats at every holiday, special occasions, and weekly family dinners. She had a love for gardening, and kept up her yard each summer with beautiful flowers and plants, including growing her own vegetables and herbs, and even did her own canning back in the day. She had an artist's eye and indulged her creative side in sewing and quilting projects, various craft projects, and home décor, collecting many antiques over the years.

Kathy was bursting with personality. She had a sharp wit and loved to laugh, often getting herself into unbelievably funny situations she loved to share. She was compassionate and generous to a fault, always helping where she could. She loved being a mother and a grandmother as she watched her children and grandchildren grow up, and was always very involved in their lives.

Kathy is survived by her daughters, Nona (Robert) Walls, Andrea Smith, Jill (Kerry) Durnen, and Kaisa Hartman; granddaughter Hope (Collin) Holmes and grandson Carter Smith; nieces and nephews, cousins, lifelong friends, her Busch's family, her Hillcrest Drive family and her beloved cat, Bushka. Kathy was preceded in death by her parents, Edwin and Irene Klemett; sister, Lois Lescelius; brother, Phil Klemett; brother, Rick Klemett; a stillborn daughter; and grandson, Hayden Smith.

“ My condolences to Andrea, Hope, Carter, and all of Kathy's family and friends. Kathy was truly a treasure. Oh, the sparkle in her eyes and the smile on her face, along with her caring demeanor, are what first drew me to her. I would see her over the years at Busch's, and later learned she was Carter Smith's grandmother, my son's good friend. She always spoke so lovingly about her family and about Carter's friends. Kathy truly loved being involved in the lives of those she cared about. She will be greatly missed.

“ *My thoughts and prayers are being sent to Kathy's family and wide community of friends. The Saline Busch's store lost a treasure. I loved seeing her when I shopped. She was helpful, funny and genuine. I made it a point to checkout wherever she was stationed. I know I could always count on a happy conversation! She was a stellar example of what small town community members should strive for. May the knowledge that she touched so many people with her wonderful spirit lift and sustain your memories and ease the pain of her loss.*

“ I worked with Kathy for almost 6 years. There wasn't a day when I walked in the door that she didn't have a smile on her face. And a wave to quickly follow. And there was always a see you tomorrow when I was leaving. I'll miss helping her with all her tech questions and our little chats when working. It won't be the same anymore when I go but I know she'll be there in spirit. Thank you Kathy for supporting me when my dad passed and being a shoulder to cry on. I'll miss you dearly
