“ *When we first moved here, Katie and Dick we're such welcoming neighbors! Katie always had a friendly greeting when we walked by, She also had the best dressed goose in town, giving everyone a smile! Katie seemed to love life and especially being a grandmother. She would just glow when she talked about her grand kids! We are so sorry for your family's loss.

“ *Many of us brought communion from St. Andrews for Katie. She was a joy to visit and had such faith. A very sweet lady and always cheerful. We will miss her.

“ *Katie was the best neighbor we could imagine. Always ready to help and holler out a cheerful greeting. I can still hear her girlish laughter when she talked about her gamblin' trips or some fun she'd had dancing or joking with someone. She loved life. And she was a fine Democrat! Her family (especially the twins) was her heart. She loved to receive greeting cards and would definitely chuckle over some of the slightly off color ones. She had a big heart and made sure we had her special chocolate Chex mix every Christmas. She delighted us with Her cement goose out front always dressed appropriately for the season. We moved a while ago and haven't kept in touch. I should have spent more time with her. I love you Katie Tice. God Speed. Dance with the angels Margie Bovee*

“ *It was always fun to run into Katie. She was so proud of the twins...had to show me photos in Busch's when they were born. I know how much she will be missed but leaves lots of fond memories. Hugs to you, Jim and Karen*
