Kristen was an extraordinary teacher who conveyed her creativity and love of art to her children and grandchildren, well after ending her teaching career upon the birth of her first child. Her compassion, empathetic nature, creativeness, talent, humility and love positively impacted so many lives as a friend, mentor, mother, grandmother and wife. We will all enjoy her diligent, disciplined, painstaking genealogy work for years to come. Love of family manifested itself in Kris's passion for cooking, Christmas shopping to fill magnificently created stockings, baking incredible sugar

cookies, creating the perfect birthday dinners, and her ability to just sit and listen. The beautiful smile and eyes, the laugh and sense of humor, the joyful spirit and all of her internal and external beauty will be missed but not forgotten. Kristen's strength, generosity, kindness, honesty, and love, long admired, will continue to be a model for all who knew and loved her. Kristen will live forever in her art and our memories. Kristen's cremated remains will be scattered by her family at a later date. Family and friends will gather when all feel safe to travel. “ *Whenever I see a sun decoration, I still think of your Mom. She was an amazing woman who opened her heart and doors to many. Thank you Mrs. V for being an inspiration and role model to those lives she touched.*
