“ I got the absolute pleasure to work alongside Kristina at Annie's children center! She was an amazing teacher and I learned so much from her! So patient, kind and there wasn't one child that didn't not love her! She was a true friend and I have many memories that I will hold close to my heart. She was truly a bright light in a very dark world! Praying for Kristina's family during this very difficult time ❤️

“ We are heartbroken to hear of Ms. Kristina's passing. She was such a bright light in our children's lives during their preschool years — a patient, kind, and joyful teacher who left a lasting impression not only on our kids, but on us as parents as well. Her care, warmth, and gentle guidance helped shape so many young lives, and we are deeply grateful for the time she shared with our family. It is hard to imagine that light being gone so soon. We send our love and deepest condolences to her family, friends, and all who were lucky enough to know her.

“ Ms (Kri) Stina was always a bright pillar in my son’s life at Bemis. Even as he grew and moved daycare rooms, they shared a bond that always brought a smile to my heart. She has imprinted on so many. Her love and kindness will last forever through the children she’s taught. Thank you, Ms Kristina, we love and miss you.
