“ Kris was a wonderful lady. I first met her after she married Greg. I had worked on several of their houses over the many years and she always treated me kindly not just as a labor employee but friend. Always a kind word and made sure I had plenty to eat and beverage while working. Since I spent many hours working for them it was always a pleasure to chat while working or taking a break. She was a wonderful lady and will be greatly missed.

“ *Brooke, Breck & Family:*

No words can express how truly sorry I am for your loss. I had many fun times with Kris throughout high school and many years after.

Thinking of you during this very difficult time and sending my love.
