“ *We would like to send our sincere sympathy to your family on your loss. Lany was a special person who we spent many many good times with as our kids were racing motocross. We also know how happy he made Pam when they found each other. She loved him so much and I know she as well as all of his family will never be able to have the same happiness again as they had with him. I am sure there are so many wonderful memories that you will have to help you through this time. It will never be the same without him but know that you were fortunate to have such a special person in your lives. God Bless all of you.*

“ *Lany was a very kind and generous man. He let me and my friend Doug stay at his farm, in Hillman, several times. He was a hard worker, who always kept busy. He was a good man!*

“ *Lany is one of the most generous people I have ever encountered in my entire life. I will never forget how you let me race David's practice bike after mine blew up and then you took my seized bike home all muddy and a few days later the bike was fixed and better than new. Thank you for giving me faith in people. I know God has a special place for you!* ”

“ *Uncle Lany was a dear friend and I called him Uncle Lany because he was a true Uncle to me. He will be missed and I will always think of him at Hunting season wherever I am. The memories of one of my best Hunting partners will stay with me forever. My heart felt prayers go to the family.* ”

“ *Lany and I are first cousins. Even though we see nearly the same age, I did not know him really well. We only saw each other a couple of times per year. Yet I always respected Lany. I always thought he was 2 or 3 years older than me. Perhaps because he was always more mature. He was so much like our grandpa Maxwell in temperament, build and looks. God welcome you, Lany. While I did not know you well, I know you.* ”

“ Lany will always be in my heart and mind as my older, hard working and kind cousin. My memories especially come from the summer vacations when I would spend several weeks with the Beckington family...never a dull moment and a wonderful family to be part of. I know my dad, Lany's Uncle Ernie. was always proud of Lany's hard working achievements and friendly manner. A ready smile and an open heart brought him all the love he deserved.

“ About 6 yrs ago Anita took Paula and me to Lany's for a day visit, we had a great day with just riding around picking apples and pick'n rocks for Anita flower beds. Lany just did what ever Anita wanted. He was a great big brother and a good host. RIP Lany you will be missed.

“ Lany and I started running around together as soon as he started attending school in Saline. He was 14 and was the only kid in our class that had a car. He had driven all the time his parents lived in Hillman and couldn't see why he couldn't keep driving. I remember the time I was working on my 49 Ford in the Gulf Station next to 5 Points and he brought in a pizza. It was the first time I had eaten pizza and I've loved it every since. I also remember the hours we spent shooting bumper pool in 5 Points. He usually won. I am going to miss him greatly and pray he is in a better place where he no longer hurts,

“ Very sorry to hear and read of Lany's passing. We lived next door to Lany and Etha for over 15 years on Willis Road, here in Saline. They were both wonderful friends and neighbors. We went on several trips with them with their sons in their motor home to their motor bike races and events. We have wonderful memories. We will miss Lany as will everyone that knew him. Deepest sympathy to his family.

“ The very first time I met Lany he "put me to work" on the farm (and I loved every minute of it). He was such a strong, hard-working man. I also enjoyed his frank banter, watching him kick the kids' butts in Wii bowling (and make be too!) and how he graciously opened his home to anyone who wanted to come up and experience a little bit of life in the slow lane. Sending much love to you all in this hard, hard time.
