“ I was a classmate of Leah's at Fairlane Christian School. She was always sweet, kind, thoughtful, and a truly caring friend. Recently, we had reconnected through social media. Even through the limited contact the Internet offers, it was easy to see that Leah was still sweet, kind, thoughtful, and a truly caring friend.

To Leah's Family - I am praying for you! I can't even begin to imagine what you are facing, but know that you are being thought of and prayed for - that God's peace that passes all understanding is injected into the very marrow of your being.

*God bless,
