“ *Dear Aunt Lillian, you will be missed. You never forgot to call on my birthday, that meant a lot to me. Your sense of humor was priceless. The relationship you had with your sister, Helen my mother was wonderful. You and your siblings enjoyed each other, now you can all meet again. Your children are the best and I am sorry for their loss.*

“ *Terry, Sarah, and I were so sad to hear of the passing of Lee. What a sweet, wonderful, kind woman! Lee babysat for our first born, Sarah, when I went back to teaching. Sarah kept up the connection and never forgot Lee. She had a real sense of humor and I loved hearing about all of her children. Family was so important to her. I think that she was a woman with character that needs to be acknowledged. Her life made an impact on her children, family, and friends. Thinking about all of you and sending hugs. I wish that I would have kept in touch.*

“ Teresa, Peggy, David, Martha, Pete and Carrie -

We are so saddened with the loss of Aunt Lee. She will be missed. We loved her very much (and Uncle Bud too). She was a lot of fun and such a kind person. We have many great memories of coming to your home with our parents on Saturday nights. We will always remember your parents and our parents playing rousing games of Euchre and us kids playing together!

You and your families are in our thoughts and prayers. We love you all!
