

Lisa Marie Gross

November 9, 1964 - March 31, 2023

Lisa Marie Gross passed away peacefully at home with her family by her side on Friday, March 31, 2023, after a long battle with Ovarian cancer. She was born on November 9, 1964, in Colonie, NY to the late Vincent and Margaret (Fitzgerald) Mailloux of Albany, NY. She is survived by her husband John L. Gross and son Tyler J. Gross of Canton, MI and future daughter-in-law, Meghan B. Moore, mother-in-law Verna Gross of Ann Arbor, MI, siblings Timothy Mailloux of Albany, NY, Bradley (Pam) Mailloux of Newark, IL and Karen-Anne (Paul) Doescher of Clifton Park, NY. Other survivors include her nieces Jacqueline Wade, Danielle Rehberg, and Erin Doescher, and nephew Adam Doescher. Lisa grew up in Albany, NY, and obtained a degree in travel and tourism. She started her career as a corporate travel agent, which amplified her love for travel. Later, her love of cooking and enjoyment of exquisite food drove her to be a personal chef and owner of Le Petite Gourmet Personal Chef Services. Lisa became a billet mom for three NTDP hockey players which led her to her last position with USA Hockey in 2011; a job that she truly loved. She focused on team travel logistics, and office and program administration. Lisa married her soul mate, John L. Gross of Dearborn, MI in 1988 and moved to West Bloomfield, MI where her son Tyler James was born, they then later moved to Saline, MI. Lisa enjoyed her summers at Long Lake in Reading, MI, and her winters in Marco Island, FL. John and Lisa's life together was wonderful; they were true partners in life. John adored Lisa and provided a caring and loving home for her. He took

extraordinary care of Lisa during her many cancer treatments and was lovingly by her side every minute over the last few months. Together they enjoyed Michigan State Football tailgates and games, hosting parties, being hockey parents, hosting friend parties, and traveling the world. Lisa especially appreciated her ladies' golf league, and cooking for friends and family. Lisa was thrilled to help plan Tyler's wedding to Meghan. She wanted the best atmosphere and food for their day; Tyler and Meghan are grateful she was able to have a hand in making that possible. We know that Lisa will be attending Tyler and Meghan's wedding in the fall in spirit, smiling, laughing, and crying with her beloved family. Special thanks to Dr. S. Uppal at the University of Michigan, Gynecologic Oncology Department. Friends may join the family for a time of visitation on Friday, April 7, 2023, between the hours of 2:00 P.M. and 7:00 P.M. at the Robison-Bahnmler Funeral Home in Saline. Visitation will continue on Saturday, April 8, at the funeral home, from 10:00 A.M. until the time of the Memorial Service at 11:00 A.M. Pastor Drex Morton will officiate the service. In lieu of flowers, memorial contributions in Lisa's honor may be made to a charity of your choice, because she was all about giving to others. “ It is so hard to put into words the love felt for my friend Lisa, and the pain of losing you. We shared so much, so many family and friend gatherings over the years, our love of dogs, our children and all things MSU!! I still feel that you are with us, and I know that you live on in Tyler and in John. Love and light to all who were touched by your love. -Cheryl Good

“ Spring on Long Lake is one of our favorite times of the year. We look forward to seeing the loons return, we ache from raking leaves, the docks get put in, we launch our boats, stock our beverage refrigerators and keep a watchful eye for our good friends as they come back after a long winter away. As we come to say goodbye to you today, we just can't believe that you aren't going to be waving and yelling hi from the whaler with that big happy smile lighting up our day. John and Tyler, you know how much we loved Lisa and we cherish your friendship and the times we shared. Lisa, until we meet again...

“ We were sad to hear of Lisa's passing. We had the pleasure of meeting Lisa, through Brad at a family cookout years ago. Through the years we met up at family weddings, family parties, Zach Brown and Jimmy Buffett concerts, including a weekend in Vegas! You were a beautiful lady. May you rest in peace and fly high with the angels. Our condolences to John, Tyler, and family. Love Maria and Don Ryba

“ Lisa was such a "bright" light in our neighborhood! From Bunco at the Grosses' (in which the food was always amazing), to seeing her and John walking, to hanging out after golf league, Lisa always made people smile and feel good ! She made everyone's day a lot brighter with her presence. Deepest condolences to John, Tyler and the entire family.

“ *The face and first point of contact at NTDP was always Lisa. The warmth, laughter and positive outlook by her made every visit a special one. More important was the quiet and hard work behind the scenes that she mastered to create unforgettable experiences all over the world for 100s of young men and coaches through the years.*

Your smile will be missed but never forgotten Lisa.

“ *I'm so sorry to hear of Lisa's passing. We spent our awkward, magical, painful, fabulous teen years together with a small group of other girls and we managed to laugh and sing through all of it. Oh... the memories we have!!! (Most of which shall remain locked behind closed lips forever...) My heart goes out to John, Tyler, Karen, Brad and Tim and all the rest of Lisa's family and friends. Although Lisa and I lost touch many years ago... my memories of her will always bring a smile and laugh. Godspeed Lisa!*

“ Lisa was a wonderful person. I was lucky to meet her working together at USA Hockey. Not only did she bring a great attitude and presence to the rink every day, but I learned a lot from her personally and professionally. I'll always remember her having me and some other USA folks over for dinner and what a wonderful host he and John were to us. I send my best to her and the Gross family.

“ Lisa was one of the happiest people I know. She grew up in the house next door... 25 Pettibone Dr . Many wonderful memories growing up with Lisa ...from sledding in the Winter to nightly bonfires in the Summer. I have known her since the day she was born. Her smile could light up a room. My condolences to her family. RIP my friend. 😭
