“ *Lucy and I were co-leaders of the Prime Timers senior group at Knox Presbyterian Church for three years. She was fun to work with, had many good ideas for programs, and was very hospitable to us. She opened her home and yard for our annual summer picnic for several years. Some of her memorable qualities were her senses of humor and mischief; she kept those attributes even when seen in her later years. Lucy was a good friend; I was blessed by knowing her.*

“ Our thoughts and prayers to Lucy's family and close friends. We grew close to Lucy when she attended the prime timers group at Knox Church, in fact she was the leader when we first joined that group. Plus, we have been a neighbor to Lucy and her husband for the past few years here in River Ridge. We had our summer picnic at Lucy's house several times and always enjoyed the times and golf cart trips around the property.

“ What a woman! We loved "Grandma Lucy" and will always cherish the time we shared with her at NorthRidge-Saline.

We used to joke about the heritage & personality traits she shared with my wife; a couple of mischievous Dutch Reformed girls who were never late with a strong opinion of some kind! She loved to tell us about the old tree farm in Lake City, dad starting McBain Christian School so many years ago, running away to get married to the love of her life, and even told us about throwing rocks at street lights as a kid! LOL

Sad to know she's gone from us, but so happy for her and the joy she is experiencing now. Lots of love & prayers to the whole family!

“ Back some years ago Lucille and RJ opened up their home for a halloween party and we all had a great time. She was a great host and good times were had by all! She will be missed! My thoughts and prayers go out to the family.

If this is the same Lucy Metz that I knew from Saline Baptist Church many years ago,I am sending my condolences to her family on her passing. I am one of the "Dieterle" family who attended there along with her family.
