“ *The Kentucky family did not get to spend as much time with him as we wished to. But all your visits home were special. We could hardly wait knowing Luke was coming. What a beautiful personality this man had. What a sense of humor, one so special that very few could come close to matching it. One of my fondest teenage memories is spending the summer with my Aunt Doris and Uncle Luke. That is when he introduced frog legs to my diet...Once!*

You will be missed dearly. I didn't get to see you as much as I would like but I always enjoyed it when I did get to see you. Then one and only time that I was ever in Canada you took us there. Thank you. Rest in Peace Uncle Luke..
