“ *Margaret brought energy, dedication, and humor to everything she did. We called her the Ever Ready bunny, she just kept going and going. She is now an angel and has probably already signed up to volunteer in heaven.*

*Till we meet again Margaret.*

“ *As a God son and nephew of Aunt Margaret, I am saddened by her passing. I always remember her smile and her energy. I also remember very well her wedding to Uncle Ken. Only 7 years old, I was her God son and she always doted on me, I recall this as the first wedding when I really understood something of what a wedding was. I was so jealous (although I didn't know what that really was) that she had this attachment with another besides me-my Uncle Ken. But, being Aunt Marge, she never forgot me. As her life history shows, she always had time for others and, after my mother died, she remained a most important link to me and my family even though we lived so far away. The Lange Clan will be much less without her only because she was so important to so many of us.*

“ *Aunt Margaret was a kind & inviting woman! She always wanted the family to be enjoying their time together. She worked diligently on the family tree - we had fun working on it together! I always enjoyed the lovely photograph albums she had put together of the many generations of the Lange family, and she knew stories too! To the community she was a kind and loving soul -- wanting to help others. We will miss you Aunt Margaret!*

“ Margaret Auten was our favorite aunt. She always tried to make everyone laugh with her jokes or even her funny glasses. She was generous with her time and always willing to help whenever needed. She will be sorely missed by all, but especially her loving family.
