“ *I've known Margaret since 1978 when I went to work at Ann Arbor Trust Company in the Trust Department. We did a lot of work with Bob Rennell and it was a pleasure to work with Margaret who was his legal assistant. She was always pleasant, organized, and dedicated. It amazed me that both she and her mother had worked for so many years at the same law firm and that Margaret had so much energy and clarity in her work even as she grew older.*

*My condolences to her family and friends.*
