“ *Please accept my condolences. I did not know Margaret but my family's life and yours intersected recently. My aunt was sharing a room with Margaret in the Saline Evangelical Home. The two women died within hours of each other on Nov. 5th in the room they were sharing. I understand Margaret's mother's maiden name was "Richardson". That is my family line. I would be glad to share my lineage with you to see if we might have a connection. What an incredible experience it would be if our two loved ones, who shared their deaths together, were connected to a common ancestor.*
