“ *Linda,*

It is with sadness that I heard of the passing of your mom, Juanita. She was a wonderful woman, very sweet and kind. It was great to have her at First Care each day to experience her compassion and see her eyes light up or tear up when the kids were happy or sad. Her presences on the playground and in the office was a delight. And her scrubbies were awesome and hard to duplicate. Even my husband loves to use them. yay! help in the kitchen.

God's blessings to you and your family.

“ *Grandma Juanita as she was known by the children at Northville First Care could often be found getting her steps in by walking the hall around the memorial garden. You could hear her beautiful voice as she sang gospel songs as she walked. The children were drawn to her warm and friendly smile. " I have to go around 10 times " she said and the kids would count her trips around for her. On the last trip around we taped crepe paper across the hall and the children cheered for her as she threw her arms up in the air and ran through the crepe paper her face glowing! She was so loved by everyone at First Care. Now she'll be singing with the angels in heaven and be happy to finally be home with God. Till we meet again Juanita... We love you! Ms Vicki*
