“ Marilyn "Mo" Crosbie

“ I have only the loveliest memories of Marilyn. Whenever my Mom or I would pop into the Hartman Insurance office, she always knew us by name and was so accommodating. She delighted in a good laugh and would enjoy my mom's teasing of Milt. She seemed to radiate kindness and joy, and I still miss seeing her in the office every time I go there.

*I hope Heaven was as welcoming to her as she was to others!*

*Sincerely,  
Angie Austin

“ Having known Mo for as long as I can remember, I am lucky to have shared so many memories with her... at church functions and singing with the gospel choir. But the thing about her is that, no matter how old she was, she was so young at heart that she made me feel like I had more time. I will always remember her infectious laughter, her warm hugs, and her amazing sense of humor. I already miss her so much!

“ Ashley and I were talking about our visits to 'Auntie Mo's,' especially at Halloween. Even though we weren't related, you were still our loving Auntie Mo!! We are going to miss you so much! Betsy (Sharkey) and Ashley (Gotts)

“ So sorry to hear this. She is someone who I don't ever remember not knowing. Mom and Dad thought the world of her. So hard that we are losing those people who made our youth so special.

“ For 36 years I saw Marilyn walk through my beauty salon door every Friday at 8:30 in the morning to get her hair done. It just won't be the same. We had a lot of great conversations. She always had new pictures of her family to show me, from the great grandkids to the grandkids getting married. She was so proud of all of them. She will be greatly missed.

“ Thoughts and prayers to all of the Crosbie family. I always loved seeing "Minnie" around town, at church, or when I would go and visit my grandma at Hartmann's. I always got a cheerful "hi Tiff!" She was a lovely person.

We had the best neighbor ever for almost 23 years. I love this picture of Marilyn with my dog Peanut. She referred to herself as "Peanut's Grandma." I find it fitting that she went to be with her beloved Wally on Valentine's Day. I never saw a couple more devoted to each other. They were roll models to Brenda & I when we got married. Our little street will never be the same. Prayers to the family. Love, Bob, Brenda & Family.

“ I would like to express my sympathy to Marilyn's family. I got to know her when I lived in Saline and attended church and affiliated with the Gospel Choir. She was the BEST! She always had a warm hug, a huge smile and kind words. She treated my kids like family and was the best friend to me when I was away from my family. I know she loved her family very much, especially her grand children. We all our feeling the loss of her being gone now but will remember all the memories we made. RIP sweet lady, and may you and Wally rejoice in being together and keep a eye on everyone here. Love You!

“ My family has been friends with Auntie Mo for over 60 years. We lived next door for the fist 11 of those years. I have two favorite memories from my childhood: whenever one of us kids wanted to say something, she always stopped her own conversation immediately to listen to us. No other adult ever did that, not once. And she would always hold the other end of the jump rope so we could play even if only two of us were there. She will be so missed!
