“ *I hope Mike is free of all pain now. I will always remember the good times we had together; going to events, enjoying music, sharing a joke, traveling the world. His cheery personality was always an inspiration to me. I will miss his humor, quick wit, great depth of knowledge, but mostly his genuine kindness. He never failed to have a smile or kind word for me every time we met.*

Goodbye friend, and man of many talents.

Rest in peace, buddy.

“ Mike was the kindest humanitarian I have ever met. We have been friends for close to 20 years. I loved watching him play music, going to sporting events with him, sharing our love of hockey and baseball, and going to concerts with him. He was always there to listen and was genuinely concerned. He was loved and he will be greatly missed.

Our families were friends when we lived in Saline. I remember Mike and Matt introduced my brother Dave and I to Saturday Night Live. I also rode with Mike on their snowmobile in the fields behind their house. So sorry for your loss Matt, Sara and Bob.

“ *Matt and family,*

We share in your loss with love and friendship. I always looked forward to seeing Mike's smiling face and our sarcastic bantering in Mr LaRue's algebra class - it was the only thing that made that class memorable. He was a really great guy who always had a smile. We lost touch but I always considered him a good friend in high school and he will be missed tremendously by Tim and I.

*With our deepest sympathy,
Tim and Rhonda Clary (Gula)*
