“ *My condolences go out to Richard and family. Nancy has a special place in my heart and I think she was one of the strongest, brave, and kindest women I have ever known. During her long illness I never heard her complain and she always had a smile for everyone. During my husband George's struggle with pancreatic cancer, Nancy regularly sent him notes of encouragement. It meant a lot to both of us. They are both gone from us now, but will always be in our hearts and memories.*
