“ My only memories of you are as a little girl with braids and pigtails. Your Mom would fix your hair so pretty. I always thought you had the most beautiful little face. Your Mom and Dad loved you so. You will be missed greatly by all your friends and family. I hope to see you all grown up on the other side when I get there. Hugs for you and your family.

“ *Nita, knowing you was a pleasure. I thank you so much for the visit I made to you and Ron a few years back. I know there will be tears shed from your family and friends, but they shouldn't worry because you are now safe in arms of Jesus. When I found out how sick you were I immediately called on my friends and fellow members of my church to lift you up in prayer. Some of those prayers came from friends in Kentucky, Michigan and Florida also in England and Ireland. You see the Lord knew your plight and when He know he couldn't save you here on earth He made a home for you with Him. Look down at us once in a while and let us know the peace you now have. No more pain or suffering. Much love to you girl.*
